**Anti-Bullying Policy  
September 2025 - September 2028**

## **Our Mission Statement**

To provide an environment that nurtures all towards the fullness of life that comes from God and a curriculum that expands our children's horizons; a place where all can realise their potential – intellectual, spiritual, moral, physical and emotional; and where our children are prepared to take their places as effective, caring and respectful global citizens.

## **Our Values & Ethos**

St Mary's is committed to trying to ensure that no child should experience bullying and that our pupils' behaviour and school ethos is based on living out Gospel Values. Any form of bullying is therefore unacceptable. St Mary's recognises that all forms of bullying, especially if let unaddressed, can have a devastating effect on individuals.

This includes all forms e.g. cyber, racist, homophobic and gender related bullying. We keep a record of known bullying incidents which is shared with and analysed by the Local Governing Board. All staff are aware that children with SEND and / or differences/ perceived differences are more susceptible to being bullied / victims of child abuse.

The Headteacher and the DSL consider the individual circumstances of each case of bullying, and will implement child protection procedures if appropriate.

The subject of bullying is addressed at regular intervals in PHSE/R(S)E, throughout the school curriculum, and in liturgies and assemblies.

- bullying (including cyberbullying, prejudice-based and discriminatory bullying);
- abuse in intimate personal relationships between peers;
- physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise physical harm;
- sexual violence and sexual harassment.

The teachings of the Catholic Church are clear on our duty to protect children from any form of harm, including bullying.

"The Catholic Church and its individual members will undertake appropriate steps to maintain a safe environment for all and to practise fully and positively Christ's Ministry towards children, young people and adults at risk and to respond sensitively and compassionately to their needs in order to help keep them safe from harm. This is demonstrated by the provision of carefully planned activities for children, young people and adults, caring for those hurt by abuse and ministering to and robustly managing those who have caused harm."

If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.

- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.

- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools.   - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
  - Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need. o Inform the police if a criminal offence has been committed.
  - Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:

Regular safeguarding returns including reporting on the number and nature of any bullying incidents are made to Plymouth CAST in termly SG forms. This information is also shared with governors.

## **18. Monitoring & Evaluating**

The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied. Any issues identified will be incorporated into the school's action planning.

St. Mary's will track the outcomes of individual incidents of bullying.

We recognise that success will be associated with satisfaction shown by children and parent/carers and

not necessarily via a reduction in reported incidents.
